I. CONDITIONS

1. Operation of the Approved Maintenance Organization within the scope of this Certificate of Approval Number **145/52300** is subject to all applicable requirements of Part 145 of Civil Aviation Safety Regulations (CASR).
2. The Accountable Manager on behalf of the Organization, shall be responsible to the Director General of Civil Aviation for ensuring a satisfactory standard of operation of the Organization.
3. This Organization shall maintain a document containing detailed information regarding its capability for performing maintenance and alteration in accordance with applicable airworthiness requirements, and details of the type of work that the Organization is capable of performing. The document shall be in form of Capability List, and shall include complete data relating to, as applicable, the make, model, part name and part number for each aircraft part and component.
4. As defined in CASR Part 145, all maintenance work such as inspection, repair, overhaul, testing, and alteration of aircraft, engine, its parts and components listed in current capability list, must be carried out in accordance with the current manuals, service bulletins, other approved data and the availability of required equipment and tools and technical personnel.
5. All maintenance and modifications performed within the scope of this approval to an aircraft part or component fitted to an Indonesian aircraft, shall be reported to the Directorate General of Civil Aviation in the form of a quarterly report. Reports may be mailed to the Directorate of Airworthiness and Aircraft Operations 22nd Floor, Karya Building, Jl. Medan Merdeka Barat No.8 Jakarta Pusat 10110 Indonesia.
